

Ethylene cracking furnace technology and equipment

- ◆ Major technological breakthroughs in the national petrochemical industry, and won the first prize of the National Science and Technology Progress Award
- ◆ The product includes ethylene cracking furnace and low NO_x burner of ethylene cracking furnace
- ◆ Which used in ethylene cracking furnace technology and equipment such as Sinochem Quanzhou Petrochemical Co., Ltd, Zhenhai Refining & Chemical Co., Ltd, Tianjin Petroleum&chemical Co., Ltd, Zhejiang Petroleum&chemical Co., Ltd, etc
